Facility Rental Form

Introduction:

This application is to manage and reduce the risk of injury to persons using the Ag Society facilities. The Swan River Valley Agricultural Society (SRVAS) acknowledges that the fair grounds are an integral part of the community. It is to the benefit of the individual/group wishing to use the property to take all reasonable steps to reduce the risk of such injury. The SRVAS therefore requires that you (applicant) demonstrate to the satisfaction of the SRVAS that there will be sufficient controls in place to follow the conditions of the permit and to prevent foreseeable harm or property damage related to the activities at the event.

Even small groups holding low-risk functions may be vulnerable to lawsuits for injuries that arise out of their activities. User groups and their organizer are not covered under the SRVAS liability insurance, and therefore obtain liability insurance for their activities or confirm with their insurance broker that they are covered under their homeowner's insurance policy.

Various outside groups may have access to liability insurance from their parent organizations and should confirm for themselves whether such insurance exists for them. Local Recreation Commissions may have insurance that would cover the proposed activity.

Applicants will not be permitted use of facilities unless they accept the conditions printed on the reverse of this form. Applicant /permit holder hereby agrees to indemnify and save the SRVAS harmless from all claims arising from the event/function/usage of the SRVAS facilities.
